To daddy,

I love you SO much and I miss you like CRAZY! I got your letter and I love it SOOO much. I think that must be the best letter I ever recieved (and will revieve) in my entire life (though I say it every time I get a letter or email from you because they mean a LOT to me!). I will take your advice and treasure that letter all my life (along with the others) 😊! I can't wait to see you on Friday so be prepared for the biggest hug you ever got in your life 😊!!! Oh and I won't be able to stick to the second principle of your letter (Mental Strength) when I see you again! But those will be happy tears because you always make me so happy ♥! These few days are going to be VERY long for me because time always drags when you are really looking forward to something (seeing you!!!!!!) I

never knew I could miss someone or
something SOOOOOOOO badly. Ammamma^(you!)
said I can't even see Rocky even
though he's not even a human! I wonder
what Rocky's thinking. He might think I
disappeared or something for two whole
weeks! I can't stop thinking how lucky
I am to have a father like you. In
other words how lucky I am to have
the best daddy EVER! I hope Friday^{was}
hurry up and come so I can see your
beautiful face once again and feel like
always, how lucky I am to have you.
Love you more than words could tell!

Your biggest admirer
and loving daughter
Ovindi. ♥
